

The Catholic Foundation

Diocesan Employees' Scholarship Fund

For Bishop Dunne Catholic School

Parents of Bishop Dunne Students who are employed by the Diocese of Dallas are eligible for supplementary financial aid from The Catholic Foundation. Families must submit this form, as well as a completed financial aid form to School Student Service for Financial Aid by March 31, 2008.

You can apply for financial aid online by going to www.nais.org/finacialaid/sss and clicking into [SSS ONLINE](#). When prompted for the school's code, type in 4721. You can also access this link through our school's website, www.bdhs.org. From the 'Parents' drop box click into 'Financial Aid.'

We encourage families to apply online, but if you prefer to mail your application, it can be printed from the SSS website or you can request one at our school office.

Student requirements to be eligible for financial aid include, but are not limited to, maintaining an overall grade point average of 2.75 and a good discipline record. The Financial Office evaluates each student at the end of the first semester to determine whether financial aid will continue for the second semester. Please remind your student how important it is to maintain the required grades and behavioral standing, so that tuition assistance may not be withdrawn.
